RECRUITMENT OF DEPUTY ENGINEER ON CONTRACT BASIS – Advt No: 103/PERS/2/2018

Central Electronics Limited is a Govt. of India Enterprise under Department of Scientific & Industrial Research (DSIR), Ministry of Science & Technology. It was established in 1974 with an objective to commercially exploit the indigenous technologies developed by National Laboratories and R&D Institutions in the country. CEL has developed a number of products for the first time in the country through its own R&D efforts and in close association with the premier National & International Laboratories including Defence Laboratories.

Currently, CEL operates in four prime business verticals, viz. Solar Photovoltaic (SPV), Railway Signalling System, Strategic Electronics, Security and Surveillance Group (SSG). Based on short term and long term goals of CEL the aim is to increase market presence across multiple regions in India. CEL has acquired major projects in the solar and defence business. CEL aspires to have a quantum leap in the turnover and profit of the company in the coming years. To attain massive expansion of CEL across the nation, we need highly skilled, experience and work oriented individuals who can contribute in achieving the excellence. CEL invites application from Indian nationals with matching skills, experience and endurance for the following posts:
